

Beebe Book Donation Program

Beebe Book Donation Program The Beebe Book Donation program is an excellent way to celebrate a child's birthday, honor a loss in the family, or celebrate an achievement while also supporting quality literature for our school. I am overwhelmed at the generosity and popularity of the program over the years and look forward to another exciting year. Families may donate at any point during the school year and take comfort that their selection will remain for years to come.

Why donate a book?

Commemorate a special occasion in your child's life (birthday, achievement, birth of sibling, etc...). Honor a loved one (relative, friend, family, influential teacher, etc...). In memory of someone who has passed. A special bookplate will be placed inside the book recognizing your family's generosity for years to come. The honored student will be the first to check out the new book. All book donation funds will be used to purchase materials for Beebe students, teachers, and the community.

Here's how it works:

1. Write a check for \$15 payable to Beebe Allied Fund and fill out the form below.
2. Send the donation to the attention of Mrs. Goff in the Learning Commons (LC).
3. When I receive the check and form, I will invite the student down to choose an age appropriate book from our Amazon book wish list or to request an age specific book that they would love to have in the library. As a family, you may also suggest a book that is a favorite family read. If you choose a family read, please write the title and author on the back of the form.
4. A memorial bookplate will be placed on the first few pages of the book.
5. The student will have their book presented to them by Mrs. Goff (LC teacher) or Mrs. Velker (LC assistant). ☆ The presentation will signify the LC has checked out the book to that student. He/She will be the first one to read the book and return it to circulation within a few weeks so others may enjoy the book.

Not only does the Beebe Book Donation Program offer you all these rewards for a small price, but it is a unique literary time capsule marking the milestones in your child's life. Thank you for your consideration and I look forward to working with you this year.
