### **Inclement Weather Dismissal**

To ensure the safety of students and staff, we will implement our indoor dismissal procedures when weather conditions could pose a risk. This includes:

- Heavy rain or thunderstorms
- Snowstorms or icy conditions
- Extreme cold or wind chills
- Severe heat advisories

If indoor dismissal is necessary, parents will be notified by 2:20 p.m. The indoor dismissal procedures are as follows:

- Walkers and bikers will be dismissed through their normal entry/exit doors.
- If you meet your walker/biker please meet them at that door, not the office doors. Our main office doors must remain clear to allow for our students to exit the building who need to get to their cars.
- Car riders will wait in the gym and be called when their car arrives. Parents, please have your car tag visible to help facilitate a smooth process. If you choose to pick up in the car line and it was a last minute decision, you must call the office to notify us. Remain in your car.
- If you pick up in the car line, do not get out of your car, remain in the car as you normally do. If you are picking up in the car line and you don't normally, again, please wait in your car and let us know who you are picking up when someone comes to ask you.
