- In Sports... Last night, the 7th Grade Flag Football played well against the Kennedy Eagles, but fell short of a victory by a score of 44 to 20. Offensively, Noah B. ran the entire length of the field on TWO separate touchdown passes thrown by James W. Will S., Adam V. and Alex M. had big catches. Aiden L. made two huge receptions, including a touchdown grab from Jaxon C. that would have earned a spot on the Sport-center Top 10 plays. Defensively, James W. had an interception and Tyler S., Jake G. and Toby C. had key stops. The Wildcats play their first playoff game on Monday, at home, against Lincoln.
- Yesterday your 8th grade flag football team took on the Kennedy Eagles and emerged victorious after a great game. The defense dominated in the first half keeping the Eagles to 0 points as we entered halftime. Levi Uson played a big role in these stops with many flag pulls and an interception, earning him Defensive Player of the Game. When asked about their key to success, the team credited their outstanding defensive coordinator. On offense, the team played just as well, scoring 22 points going into the half and ending the game with 35 points on the board. Brandon F. wasn’t the only one jumping early this game, as the team battled an accidental whistle that likely cost them a touchdown. Nonetheless, touchdowns were scored by Rusch, Amaar with 2, Chase, and a big catch by Mac C., earning him Offensive Player of the Game. As Coach Burke always says, “Life is about sales”, and we sure sold Kennedy a sad bus ride home last night. Come cheer on the team next Tuesday in the semi-finals as we look to host the playoffs right here in Wildcat territory.
- Last night your 7th grade volleyball team had a great game at Madison. Single A started off strong and while the second game didn’t go as planned, the wildcats pulled off the win in the third set. Shout outs to Lilia B. for her amazing bumps and Eloise F. for her awesome serves! Double A had a tough battle against the Warhawks but didn’t go down without a fight. Nora S. and Vivian M. were just two of the wildcats that found success in the front row while Macey N. kept the wildcats alive from the back row with great passes. While they did not win the match, they kept their spirits high and are game day ready today. Come cheer on your Wildcats at Jefferson Junior High today as they attempt to finish the regular season with a win!

- “Last night your 8th grade volleyball teams played at home against the Madison Warhawks. The single-A team played first, and took home an outstanding win—finishing in 2 sets. Kathryn M. put her soccer skills to work during the match and saved some great balls. Karis S. had amazing sets and saves, while Emma B. and Nora D. kept up the hype and had amazing serves.

The double-A team also took home an incredible win in 2 sets. Isabela S. had great hits and enthusiasm, while Evrit Y. kept the Warhawks on their knees with her spikes. Josie G. being libero had amazing passes to the front row.

The team would like to thank Mrs. Pate and Mrs. Rosner for their support during the game. Come see the Wildcats play in their last regular match of the season tomorrow at home against the Jefferson Patriots!”
