

November 6

- In sports...On Tuesday, your eighth grade double-A basketball team played against Jefferson at Jefferson. It was a tight and well fought game that went into overtime, but unfortunately the Wildcats were not able to seal the victory. The score stood at 36 to 35. Your hustle player of the game was Grady H. with 10 points also leading the team in assists. The Offensive player of the game was Tyler S. with 9 points. Come see your Wildcats play at Crone on tonight. Go wildcats!
 - “Last night, your Washington Wrestling team hosted Lincoln Junior High at home. We had nearly 100 people surrounding THE PIT in the Washington cafeteria...in what was an epic battle. Let’s get into the action! On double-A... Joe H. got the crowd roaring as he earned a technical win to give our team the lead. Kyle S. flexed his muscles and finished his match before the end of the 2nd period. Luke B. continues to find success with his aggressive wrestling, finishing his match with a phenomenal pin. Aaron A.—AGAIN — pinned his opponent faster than I can read this sentence. And... Kyle L. outwrestled his competitor and earned an elegant technical win.
Shout out to Liam O., Liam W., Daany A., Jake S., Jayden D. who all earned forfeits as well. When all the dust settled, your undefeated Wildcats won 60 to 27.
On single A...In her first match of the year, Audrey H. was ready to rock - tossing her opponent to the mat and winning via pin. Brian U. dusted off his muscles, hustled onto the mat, and won in the first minute. Colton S. — martial arts specialist — earned a dominant win. In his first match of the year, Adam V. tossed his opponent around and got the win! Sam M. kept his winning streak alive with another easy victory. And our final wrestler for the day was Toby C. Toby earned a win and snagged a crucial victory for the team. At the end of all the matches, your single-A Wildcats stood as victors with a score of 33 to 30... every point was needed! What a night it was! Until next time Wildcats!”
 - Attention Service Matters members: don’t forget to see Mrs. Bornancin or Mrs. Kimberley during your supervised study or lunch to continuing making banners and decorations for the Veterans Day assembly. We only have this week to finish the decorations. See Mrs. Bornancin or Mrs. Kimberley with any questions. Thank you for your help!
 - Attention Wildcats! We will be having our 2nd First Friday tomorrow morning! This will be held before school starting at 7:30 am! We will have candy, fidgets, school supplies, and Donuts!! SO bring a couple dollars this Friday for First Fridays!
 - A reminder from Service Matters...all this week we are collecting Halloween candy in the bins at each end of the Learning Commons. So, how much candy do you really need? Consider helping out our service men and women, as well as first responders, enjoy some sweet treats. Thanks!
