

November 10

- A reminder that tomorrow, Washington will be honoring Veterans Day. We will be following an alternate assembly schedule, and remind students and staff to wear Red, White, and Blue to honor our veterans. Thank you.
- Attention Service Matters members: don't forget to see Mrs. Bornancin or Mrs. Kimberley during your supervised study or lunch to continuing making banners and decorations for the Veterans Day assembly. We only have this week to finish the decorations. See Mrs. Bornancin or Mrs. Kimberley with any questions. Thank you for your help!
