

August 2024

Dear Scott School Families,

The Scott Home & School Association is excited about the upcoming 2024-2025 school year! Home & School promotes cooperation and communication between school and home for the maximum benefit of the students. All parents, guardians, teachers, and staff are automatically considered members of our association.

As school begins families should look for weekly Talk 203 e-mails of the Eagle Extra Newsletter and can access social media posts for more detailed information on events and ways you can help support Home & School.
