

The purpose of the Home & School Association is to foster cooperation and communication between the school and the home and to provide an avenue by which the volunteer efforts of students, parents and guardians might enhance the school environment and instructional programs.

Beebe parents are able to choose from a wide range of opportunities for involvement, both during the school day and conveniently at home. We encourage you to stay informed by attending our virtual/Zoom Home & School meetings, reading our newsletter (found in "Beebe Family News" emails) and following our Facebook page.

We will continue to have fundraisers this school year, in order to support the needs of all Beebe students. All funds raised by Beebe Home and School go directly into services and projects that benefit each Beebe student. In the last year, Home and School has provided funding for Learning Extensions, which allow the teaching teams extra money to provide enrichment to their curriculum, Birthday Book Program where each student receives a book for their birthday; School Directory, Field Trips, and so much more.

We would love for you to feel a part of Beebe starting today! Follow us on Facebook, <https://www.facebook.com/beebehomeandschool/>, keep up to date with our webpage <https://www.naperville203.org/domain/1039> and feel free to reach out at any time, beebehomeandschool@gmail.com.

You can suit up your future Bobcat in spirit wear, (1st Place SpiritWear) and if you would like to look at our usual Volunteer opportunities, follow this link: <https://linktr.ee/beebelinks>

Go Bobcats!
