

Welcome to Home and School!

River Woods Home & School (H&S) is a group of volunteers that supports our students, teachers and staff (like a PTA). There are no fees – **all parents/guardians of River Woods students are members**. Home & School helps coordinate and run school and family events and raises funds to support the school.

ALL parents and guardians are welcome to be involved in making our school a great place! We're proud of the ways we connected our school community this year. Now we're looking ahead to next year and thrilled to share with you some ways to join us!

There are many ways to help out through **volunteering your time or talents** through events, committees, and fundraising. Being involved in Home & School or attending meetings is a great way to get to know your school, neighbors, teachers and children's classmates.

Stay tuned - The River Woods summer mailing will include a listing of the many ways you can be involved next school year!
