6<sup>th</sup> graders are settled in. Kids are getting settled. First 3 days of school: setting class norms, setting expectations, what does it mean to be a Lancer?

Staff started with Staff Picture, all had a new t-shirt.

LC had a partial remodel with Laser screen and monitors.

Lancers belong is part of the WEB theme.

New Asst Principal, Dave Pearlman, who came from NNHS. Success teacher at NNHS for 20 years.

**WEB** – thanks to H&S, who contributed to get WEB going. It's an elementary to Junior High program. It's from a company called Boomerang Co. Sent 4 teachers up to the program in April, were certified on how to train students on the program. End of the school year, 7<sup>th</sup> graders (graduating) were recruited to participate in the WEB program. They had two long sessions over the summer. They had to call families and talk to kids to remind them to come to WEB. Mrs Zeller hosted a large group activity to include everyone. And then it went to small group activities.

Part of Andrea's goal this year is to build a community.

Lesson Dates / Alternate Schedule
