Ms. Langer also recognized the efforts of Stephanie Manfredo in social media, Dan Calendriello and Courtney Dieterich for Watch Dogs and Mogs, and Mr. Mulvey for the 5th grade Outdoor Ed. Ms. Langer introduced Ms. Harnish, the new Family Connections coordinator, who discussed plans for a coin drive, welcome baskets for new families, and a mentor program. The coin drive was proposed for either the end of November or the first week of December, with feedback sought on the best timing.

Ms. Langer expressed concerns about the need to fill open positions to avoid event cancellations and the strain on the Executive Board. She highlighted the need for a co-treasurer to assist Ms. Xiong, who has new job responsibilities and personal commitments. Ms. Langer also expressed concern about the lack of volunteers for the Fun Fest event, which could lead to its cancellation. Ms. Munoz proposed the idea of creating a flyer to distribute to kids' folders to advertise open positions, but this would need to be approved by Mrs. Ordaz. The team discussed strategies for recruiting volunteers for various positions at the school, considering using flyers, backpacks, teacher newsletters, and social media. They agreed to target kindergarten parents, who might be new to the school and not yet involved. The team also discussed the possibility of creating flyers or s'mores for these parents. The conversation ended with the team agreeing to collaborate on these strategies.

Ms. Langer emphasized the importance of parents discussing the consequences of posting sensitive content on social media with their children, following a serious incident involving the FBI and a student's TikTok post.
